

RADWIN COMPANY OVERVIEW

We enable people and organizations to *maximize the potential* of the *Digital Transformation* by providing **best-in-class wireless networks** for *broadband* and *mission critical* applications

RADWIN Markets

- Field proven
- Industry-fast broadband connectivity
- Mission critical performance
- Complete solution including OSS & services

Why RADWIN?

TECHNOLOGY

- Superior air-interface
- RF & antenna expertise

COMPLETE SOLUTION

- Planning, commissioning & support
- Complete OSS suite

DOMAIN EXPERTISE

- Field proven solutions
- Customized to segment specific needs

About us

Leading provider of broadband wireless solutions

Global network of **200+ Tier-1 partners**

Deployments in **>190 countries**

>1.6 million radios installed globally

RAD Group member, group revenues of **>1 billion USD**

PtMP Beamforming

JET Series
3GHz, 5GHz

MultiSector
5GHz

PtMP CPE
SU AIR
5GHz

PtMP CPE
SU PRO
3GHz, 5GHz

PtP
RW2000 / Alpha Series
2GHz, 3GHz, 5GHz

Wireless mobility
FiberinMotion
4.9 – 6GHz

Inter-carriage link + data offload
Terrabridge
4.9 – 60GHz

RADWIN OSS

- Radio planning
- Network deployment
- Unit installations
- Service commissioning
- Day-to-day operations
- Network maintenance

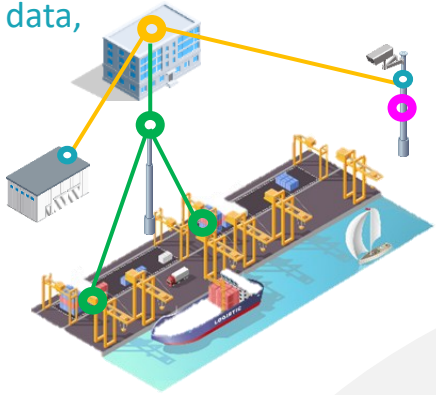

Indoor switch
IDU-S

SEA PORT connectivity for data, CCTV & port automation

- JET PRO/DUO
- IDU/Smart Node
- FiberinMotion

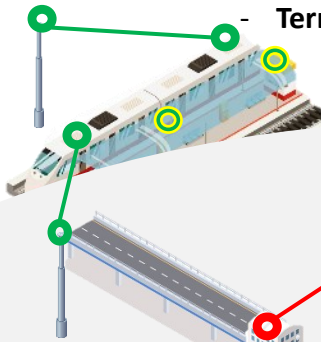

Oil & Gas connectivity for data, CCTV & control

- JET PRO/DUO
- IDU/Smart Node
- RW 2000/Alpha

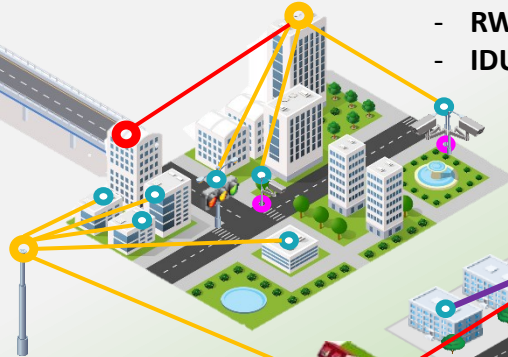

Urban Transport connectivity for WiFi, CCTV & control

- FiberinMotion
- TerraBridge

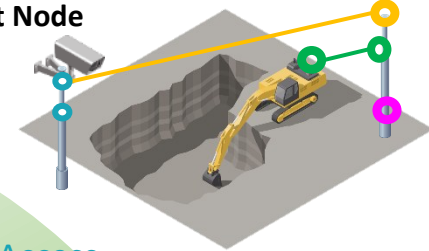

Smart & Safe City Connectivity

- JET PRO/DUO
- MultiSector
- RW 2000/Alpha
- IDU/Smart Node

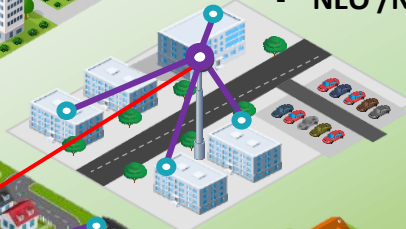

Mine connectivity for remote operations & autonomous networks

- JET PRO/DUO
- MultiSector
- FiberinMotion
- IDU/Smart Node

Multi-Tenant Fixed Access

- NEO /NEO DUO

MacroPoP residential & SLA business Fixed Access

- JET DUO
- JET PRO

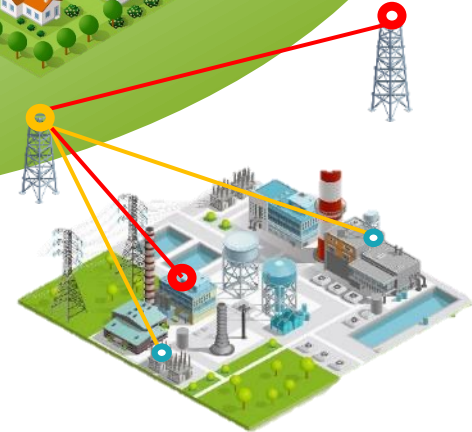

MicroPoP Fixed Access

- MultiSector
- NEO

MacroPoP residential & non-SLA business Fixed Access

- NEO DUO
- NEO

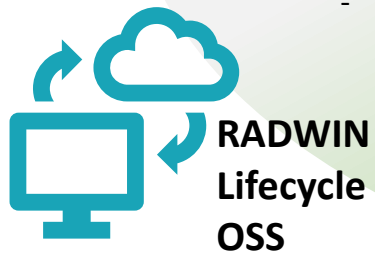

Utility GRID connectivity for substation backhaul & automation

- JET PRO/DUO
- RW 2000/Alpha
- IDU/Smart Node

RADWIN Products

- PtP 2000/Alpha
- PtMP JET PRO, JET DUO
- PtMP NEO, NEO DUO
- PtMP MultiSector
- Subscriber Unit
- FiberinMotion
- TerraBridge
- IDU/Smart Node

VALUE

Blazing fast speeds & reliable connectivity
 Carrier-grade, yet affordable solutions
 Mix and matched base station, common SU
 Best interference mitigation & nLOS
 Powerful OSS tools & simplified operation

Thank you!
